Part 1: Zoom Calls with Friends (CONT.)

6. Create a Meeting Password
7. Make sure video is set to "On"
8. Enable "Join before host" so that friends can easily log in once the meeting starts

9. Select "Save"

10. Find the "Invite Link" and "Password" to send to friends
11. When you are ready to start the meeting click on "Start this Meeting."

Part 2: Facebook Messenger

1. Go to Facebook.com and sign into your account

2. Go to the upper right hand corner and select the messenger icon

3. When the panel opens, select "Create new room"

4. A window will open where you will continue with your Facebook account

5. Invite friends using the link that is given or invite them over Facebook messenger.

(Here is the bar at the bottom and what the icons do)

(This means video and audio are muted if they are white)

(This means video and audio are on if they are grey)

Part 3: Snapchat Groups

1. Open Snapchat and go to "Chat"

2. Click on the chat icon in the upper right corner

3. Click on "New Group"

4. A box will open asking you to name the group then click done.

5. Select the friends you want in the group or invite your friends with a link.

6. Click on "Create Group" and you are done!

Part 4: Games and Fun

1. Netflix Party

Watch Netflix with your friends with Netflix Party. Just got to netflixparty.com and follow the download instructions they provide!

2. Hulu Party

Hulu has an extension where you can watch videos with friends, just like Netflix. If you have a Hulu Ad Free account then you have Hulu Party.

3. Houseparty

Video call and play games with your friends! Just download the app and create a room to start the video chat and play games like Headsup.
